

LEGAL NOTICE

The Montana Fish, Wildlife & Parks Department is releasing a draft Environmental Assessment to acquire an additional tract of land, 11.5 acres, located directly East of Travelers' Rest State Park located in Lolo, MT. This piece of land is significant to preserving western history, wildlife & fisheries habitat as well as enhancing area recreational opportunities for local residents and visitors to the area.

Review copies of this draft document are available at the Region Two Headquarters of Montana Fish, Wildlife & Parks, 3201 Spurgin Road, Missoula, MT 59804. An electronic version is available at www.fwp.state.mt.us or www.travelersrest.org. Due to the time constraints on the seller and the positive public response to the first two acquisitions, the public comment period will be 15 days. Therefore, comments will be taken through Monday October 13, 2003.
